

# Minority Serving Institutions Partnership Program (MSIPP)

Summer 2021 internship opportunities for MSI students

Apply Now! | Deadline: January 29, 2021

<https://orise.orau.gov/msipp>

## About the Program

The [Minority Serving Institutions Partnership Program \(MSIPP\)](#) promotes the education and development of the next generation workforce in critical science, engineering, technology, and mathematics (STEM)-related disciplines that complement current and future missions of the [U.S. Department of Energy Office of Environmental Management \(DOE-EM\)](#).

MSIPP interns will be given the opportunity to complete summer internships aligned with ongoing DOE-EM research under the direction of a host national laboratory. The internship will be performed at the host national laboratory, utilizing their facilities and equipment under the guidance of a senior research mentor.

## Eligibility

*To be eligible for an MSIPP Internship, the candidate must:*

1. Be working toward a degree in STEM (science, technology, engineering, or mathematics)
2. Have a minimum undergraduate/graduate GPA of 3.0/3.2 on a 4.0 scale (check the individual opportunities for specifics)
3. Be a U.S. citizen
4. Pass a drug test upon selection
5. Be currently enrolled as a full-time undergraduate or graduate student at one of the following accredited [Minority Serving Institutions](#)

## View Internships by Location
